1. Introduction

(Briefly introduce yourself as an artist. What do you create? What mediums do you work with?)

Example: "I am a [painter/sculptor/mixed media artist] specializing in [medium]. My work explores [theme or concept]."

2. Artistic Inspiration

(What inspires your work? This could be nature, emotions, personal experiences, cultural influences, or something else.)

Example: "I draw inspiration from [source of inspiration] and seek to express [emotion/idea] through my art."

3. Themes & Concepts

(What ideas or messages do you explore in your work? What do you want viewers to take away from it?)

Example: "My work focuses on [theme], exploring [concept] in a way that invites the viewer to [reaction or engagement]."

4. Process & Techniques

(How do you create your art? Do you use any special techniques or processes?)

Example: "I use [technique] to create [effect], often experimenting with [material or method]."

5. Artistic Response to the event that the Artist Statement is required for.

Example: How did I approach it. What did I focus on... How is it aligned to my practice....

Max 200 words

6. Conclusion

(Summarize your artistic purpose or future direction. What are your goals or aspirations?)

Example: "Through my work, I aim to [goal], and I hope to continue exploring [future artistic direction]"

Optional Additions:

- **Personal Story:** A short anecdote about how you became an artist or a key moment in your artistic journey.
- **Quote:** A line from an artist, philosopher, or personal motto that reflects your artistic vision.
